AI Document Capture

What is AI Document Capture?

- Streamlines the entry of purchase invoices and credit notes.
- Fully integrated solution that leverages AI to process transactions quickly and efficiently.
- Saves valuable time by reducing manual entry and enables you to focus on other aspects of your business.

Sage

AI Document Capture

- Available in Sage 50 Accounts v31 and above.
- With a Sage connected account it's quick and easy to set up.
- Invoices and credits can be manually uploaded or emailed to an allocated email address.
- AI recognises different invoice formats and identifies names, dates and addresses, line items and tax amounts.
- It learns continuously. The more it's used, the smarter it gets.
